

**SENIOR TECHNICAL PROJECT MANAGER – Indorama Ventures PCL (BP Divestiture)**

*Contracted by prosource.it to provide project management on large-scale acquisition for prosource.it's direct client: Indorama Ventures PCL. As part of the reorganization of its global petrochemical business, BP agreed to sell a major petrochem complex in Decatur AL to Indorama Ventures PCL (Thailand).*

<http://www.bizjournals.com/houston/news/2016/01/06/bp-finds-buyer-for-1-000-acre-petrochem-complex.html>

*All assets transitioned to Indorama. All infrastructure planning, build, transition, and post-transition support awarded to prosource.it for management and execution on behalf of Indorama Ventures LTD. BP has been a major client of prosource.it for many years, and now prosource.it's knowledge of existing BP infrastructure, systems, and software uniquely position the managed IT services integrator at an advantage for management of transition implementation to Indorama, by prosource.it.*

**Key Highlights**

Plan, drive, and deliver all aspects of successful new infrastructure build and transition including:

- introduce redundant Cisco HA firewalls and implement stronger security measures
- build and implement secure remote access (multi-level authentication)
- new datacenter (build/implement 9 new IXVP [physical] servers, rebrand 11 BP servers)
- build new AD environment, migrate user accounts
- build new SharePoint environment, migrate/rebuild sites
- migrate SAP, SharePoint & custom apps
- build new VM farm and create VM servers for backup
- recommend and implement Azure cloud backup/DR solution
- transition 600+ users (employees and contractors) to new IVXP AD environment
- servers (11) & PC (380+) hardware re-brand/refresh and transition to new IVXP environment
- migrate all users from on-premises Exchange (BP) to a new Office365 cloud-based mail solution (Indorama)

***IT transition successfully delivered on-time and under-budget. Recommendations solicited by Indorama Ventures LTD for expanded VM architecture, expanded Azure cloud backup as part of a larger DR plan, and for ongoing outsourced IT support of all transitioned infrastructure by prosource.it. Proposals submitted for consideration.***
